

## Bees and Our Future

"If one way is better than another, then surely that is the way of nature" – Aristotle

### Name: Beelosophy

**Legal Status:** Independent, Non-Profit Civil Society Organisation

**Registration & Oversight:** Cultural Organisation — Ministry of Culture • Civil Society Organisation — Ministry of Interior

**Business Registration number:** 166686708000

### Philosophy

We unite nature, culture, and communities through the wisdom of Bees.

### Vision

We envision a world where, inspired by Bees, people collaboratively shape a sustainable future guided by action and respect for nature.

### Mission

We celebrate the wisdom of the Bee community, protecting the environmental and cultural heritage they contribute to both people and the planet.

### Values

Respect for nature • Responsibility • Transparency • Collectivity • Creativity & Sustainability

### Areas of Action

**Environment:** Protection of biodiversity and pollinators

**Culture & Creativity:** Promotion of cultural heritage and artistic activities

**Education:** Lessons, hands-on workshops, and awareness programmes

### Target Groups

Schools, students, teachers • Environmental & cultural organisations • Beekeepers, scientists, researchers  
• Artists, creators • General public

### Geographical Scope

Greece and internationally

### Impact & Footprint

We have reached over **50 schools** and **2,000 participants** through our activities, inspired the creation of **130 works of art**, use **14 traditional beehives** as hands-on educational tools, produced **10 cultural videos**, and organised **20 events** that bring together people, nature, and culture.

**Beelosophy's** footprint encompasses preserving cultural heritage, empowering communities, sharing knowledge, and building partnerships that support the sustainable coexistence of people and nature.

### Team — Partners & Volunteers

Partners, ambassadors, and volunteers who share a common vision and values.
